BIBLE

May 10-14

We will study Paul's Missionary Journeys. The test will be labeling the cities Paul visited on a map.

May 17-21

This week will be the last Bible lesson we study. We'll talk about the earthquake Paul encountered in Philippi.

BIBLE VERSE

Our last section of the year is Psalm 23. Students pretty much know this verse already, so here's the plan...

Students can practice the verse any time from now until May 21. When they completely know Psalm 23, they can take the test for the grade. This can be done anytime between now and May 21, but **IT MUST BE TAKEN ON MAY 21!**

Thanks for the warm welcome back to class! I surprised me how much I missed being gone for 2 weeks! The Kohl's gift card was a nice surprise...thanks for the special treatment!
